

Car Sharing Insurance Guide

Welcome to Veygo

This guide describes **your** contract of insurance. Please read it carefully along with **your** current:

- Certificate of Motor Insurance: the document that is evidence **you** have insurance that complies with the **Road Traffic Act** and shows who can drive the **insured car** and what it can be used for.
- Motor Proposal Confirmation: the document that records the information **you** gave at the start of **your** policy.
- Policy Schedule: this shows the **insured car**, **your** level of cover and **your excess** details.

These documents can be found in **your** purchase confirmation email and in the 'Policies and Documents' section of **your** online account, please check these as the information must be correct.

Your contract of insurance has been arranged for **you** by EUI Limited. **You** will enter into two separate agreements.

The first is an intermediary agreement with EUI Limited who are responsible for arranging and administering **your** insurance policy. This is set out in 'Your Agreement with EUI' and covers EUI Limited's services, fees and charges. **You** will find this in **your** online account.

The second agreement is this contract of insurance with the authorised insurers. The authorised insurers have agreed to cover **you** subject to the terms and conditions contained in this document, against any liability, loss, or damage that arises due to the use of the **insured car** during a **period of insurance**. The authorised insurers' details appear on **your** Certificate of Motor Insurance.

To make things easier, **you** only need to contact **us** (EUI Limited) to arrange everything with the authorised insurers on **your** behalf.

Several liability notice

Your cover is provided by three authorised insurers, all of whom have agreed to cover an agreed share of the costs should a claim arise. No individual insurer is liable for any amount beyond their agreed share but collectively **your** insurance cover will amount to 100%.

Governing Law

Unless **we** have agreed otherwise with **you**, this insurance is governed by English Law and all communication shall be conducted in English.

Rights of third parties

This contract is between **you** and the authorised insurers. Nobody else has any rights they can enforce under this contract, including under the Contract (Rights of Third Parties) Act 1999, except those they have under the **Road Traffic Act 1988**.

Our authority

In order that this document may be signed and issued as evidence of **your** contract of insurance, the authorised insurers have entered into an agreement with EUI Limited which allows an authorised Underwriter at EUI Limited to sign and issue this document on their behalf.

Claims under section 2

Damage repair process (within the territorial limits)

If the damage to the **insured car** is covered and cannot be driven safely from the accident site, **we** will:

- collect the **insured car** and deliver it to an approved repairer, to the **registered keeper's** home or a safe place of storage
- move **you** and **your** passengers away from the accident site if it's not safe, to the nearest point of local amenity

If the **insured car** is not recovered after an accident, **you** and the **registered keeper** are responsible for keeping it safe until it is repaired. **We** will pay any reasonable charges for safeguarding the **insured car** and getting it to and from the repairers. It is important **you** tell **us** as soon as possible where the **insured car** is or **you** will be responsible for any charges that occur.

Our approved repairers, or another company instructed by **Veygo** will:

- arrange collection and redelivery of the **insured car**
- give the **registered keeper** a courtesy car while the **insured car** is being repaired (this doesn't include when it is on site for any estimates)

All repairs carried out by **our** approved repairer are guaranteed for as long as the **registered keeper** owns the **insured car**. Any parts used during the repair will be covered under the manufacturer's guarantee. In the unlikely event the repairs are considered unsatisfactory, the approved repairer will have the option to rectify their work. Should the repairs still be considered unsatisfactory, the **registered keeper** may use another repairer providing **we** have confirmed it and agreed for the work to be carried out.

If **you** or the **registered keeper** do not wish to use **our** approved repairers, **we** will be unable to provide a courtesy car, and an estimate will need to be obtained from a chosen repairer. If **we** think the repair estimate is unreasonable, one of the following will happen, **we** can:

- arrange for the **insured car** to be moved to **our** approved repairer
- ask the **registered keeper** to provide another estimate from a chosen repairer

Claims under section 2 (cont.)

i Important

A courtesy car will not be provided if the **insured car** is:

- stolen and unrecovered
- outside **our territorial limits**
- beyond economical repair
- repaired by an unapproved repairer

We cannot guarantee to provide a vehicle adapted to any special needs or disability.

If a courtesy car is given it can only be used within the **territorial limits**.

The courtesy car is not intended to be a like for like replacement for the **insured car**. It will typically be a small hatchback.

What we will pay

We will decide how to settle **your** claim and will either pay:

- to repair the **insured car**
- a cash sum to replace the **insured car** or item

If **we** give the **registered keeper** a cash sum, the most **we** will pay is the **market value** of the **insured car**. Should **we** deem the **insured car** repairable but are unable to complete or guarantee the repairs, **we** will offer the **registered keeper** a cash sum to cover reasonable costs of parts and labour.

We will repair the **insured car** with parts made to the manufacturer's specification. Any settlement may be reduced, or **you/** the **registered keeper** may be asked to contribute towards the repair costs, if the parts being replaced were already worn or damaged. If the **insured car's** ADAS (Advanced Driver Assistance System) needs to be recalibrated as a result of any repairs, **we** will also cover these costs. If any parts are no longer produced, **we** will pay the cost shown in the manufacturer's latest price guide together with reasonable fitting costs. A decision will be made based on the garage/engineer's recommendation.

If the **insured car** is subject to a hire purchase agreement, **we** will pay any money owed to that company first and then pay any remaining money to the **registered keeper**. If the **insured car** is on lease or contract hire, **we** will pay the lease or contract hire company either the **market value** of the **insured car**, or the amount required to settle the agreement, whichever is less.

If the **insured car** cannot be repaired economically, **we** will get it moved to a place of storage as soon as possible.

Section 3: Windscreen damage

1. Cover for windscreens

If there has not been any other loss or damage **we** will pay to:

- repair or replace broken glass in the **insured car's** windscreen, windows or sunroof
- repair any scratching to the bodywork caused by the broken glass

If **we** need to replace any glass, **we** may use glass which is not provided by the **insured car's** manufacturer but is of a similar standard and quality.

If there is no glass available and it cannot be reasonably sourced, **we** will pay the cost shown in the manufacturer's latest price guide, together with reasonable fitting costs.

When required, **we** will also cover the costs to recalibrate the **insured car's** ADAS (Advanced Driver Assistance System) after any replacement of the windscreen.

If the repair or replacement is not arranged via **our** glass helpline and costs more than **your excess**, **we** will pay up to:

- £25 for each glass repair
- £50 for each glass replacement

2. What is not covered

We will not pay:

1. the **excess** shown on **your** current Policy Schedule
2. for the replacement of the hood/roof structure of a convertible car
3. for any windscreens or windows not made of glass e.g. Perspex
4. more than the **market value** of the **insured car** at the time of loss

If **you** are involved in an incident **we** will pay up to a maximum of £150 for **your** personal belongings if they are damaged or stolen. **We** will also pay to replace a damaged child seat or pushchair. **You** can claim up to an additional £50 for loss or damage to any children's accessories.

If **you** ask **us** to pay someone else, **we** will have no further responsibility to **you**, once **we** have done so.

You are not covered for loss or damage to:

1. money, credit or debit cards, stamps, tickets, vouchers, documents or securities
2. goods or samples carried in connection with any trade or business
3. any property insured under another policy
4. property in a convertible car, unless the property was locked in the boot or glove compartment
