- another person's death or injury
- damage to another person's property – third party property damage losses are limited to £20,000,000 per event

### 2. Cover for other people

**We** will also provide cover under Section 1 for:

- any passengers in **the insured vehicle**
- anyone who is getting into or out of **the insured vehicle**

### 3. Cover for emergency medical treatment

**We** will pay for emergency treatment fees as set out in the **Road Traffic Act**.

### 4. What is not covered

1. death or injury to anyone while they are working with or for the **policyholder** except as required by **road traffic law**
2. any property in **the insured vehicle**
3. any property damage caused by **the insured vehicle** where the property belongs to or is in the vehicle of the **policyholder**
4. liability of more than £1,200,000 per event where loss or damage to third party property is caused or contributed to by the carriage of **hazardous goods**

## Section 2: Damage to the insured vehicle

### 1. Cover for the insured vehicle and its accessories

If **the insured vehicle** is damaged due to:

- an accident
- malicious damage
- fire
- lightning
- theft or attempted theft

**You** will be covered for damage to:

- **the insured vehicle**
- **the insured vehicle's** audio, visual or electronic equipment, as long as it is permanently fitted to **the insured vehicle**. Aftermarket equipment is covered up to £1,250 or the **market value** of **the insured vehicle**, whichever is lower.

### 2. Lost or stolen keys

If **you** lose **the insured vehicle's** keys, or any other ignition device, or they are stolen from somewhere other than **the insured vehicle**, **we** will pay up to £300 towards the cost of replacing the locks or keys.

Once **we** agree to **your** claim, **you** must pay to have the locks and keys replaced and **we** will reimburse **you** up to £300.

If **you** claim under this benefit, **you** don't have to pay an **excess**.

## Section 2: Damage to the insured vehicle (cont.)

### 3. In addition to our general exceptions

We will not pay:

1. the **excess** shown on **your** current Policy Schedule
2. for loss or damage to **the insured vehicle**, where possession of it is gained by deception
3. for damage to **the insured vehicle** caused by it being driven after an incident unless it is necessary in the interests of safety
4. for wear and tear
5. for pre-accident damage or damage not relating to the current loss
6. for any loss or damage caused by mechanical, electrical, electronic, cyber incident, computer failure, breakdown, breakage or malfunction

10. for loss or damage if **the insured vehicle** has been seized or destroyed by any Government, Public or Local Authority

## Claims under section 1 & 2

### Damage repair process (within territorial limits)

If the damage to **the insured vehicle** is covered and cannot be driven safely from the accident site, **we** will:

- collect **the insured vehicle** from the accident site and deliver it to an approved repairer, to the **registered keeper's** home or a safe place of storage, within a 30-mile radius.
- move **you** and **your** passengers away from the accident site if it's not safe, to the nearest point of local amenity

If **the insured vehicle** is not recovered after an incident, **you** and the **registered keeper** are responsible for keeping it safe until it is repaired. **We** will pay any reasonable charges for safeguarding **the insured vehicle** and getting it to and from the repairers.

It is important **you** tell **us** as soon as possible where **the insured vehicle** is or **you** will be responsible for any charges that occur.

**Our** approved repairers will arrange collection and re-delivery of **the insured vehicle**.

All repairs carried out by **our** approved repairers are guaranteed for as long as the **registered keeper** owns **the insured vehicle**. Any parts used during the repair will be covered under the manufacturer's guarantee. In the unlikely event the repairs are considered unsatisfactory, the approved repairer will have the option to rectify their work. Should the repairs still be considered unsatisfactory, the **registered keeper** may use another repairer providing **we** have confirmed it and agreed for the work to be carried out.

If **you** or the **registered keeper** do not wish to use **our** approved repairers, **you** will need to provide **us** with an estimate from **your** preferred repairer. If **we** think the repair estimate is unreasonable, one of the following will happen, **we** can:

- arrange for **the insured vehicle** to be moved to **our** approved repairer
- ask the **registered keeper** to provide an estimate from another repairer

## Claims under section 1 and 2 (cont.)

### What we will pay

**We** will decide how to settle **your** claim and will either:

- pay to repair the **insured vehicle**
- pay a cash sum to replace the **insured vehicle** or item

If **we** give the **registered keeper** a cash sum, the most **we** will pay is the **market value** of the **insured vehicle**. Should **we** deem the **insured vehicle** repairable but are unable to complete or guarantee the repairs, **we** will offer the **registered keeper** a cash sum to cover reasonable costs of parts and labour.

**We** will repair the **insured vehicle** with parts made to the manufacturer's specification. If any parts are no longer produced, **we** will pay the cost shown in the manufacturer's latest price guide together with reasonable fitting costs. **Your** settlement may be reduced, or **you** may be asked to contribute towards the repair costs, if the parts being replaced were already worn or damaged. If the **insured vehicle's** ADAS (Advanced Driver Assistance System) needs to be recalibrated as a result of any repairs, **we** will also cover these costs. A decision will be made based on the garage/engineer's recommendation.

If the **insured vehicle** is subject to a hire purchase agreement, **we** will pay any money owed to that company first and then pay any remaining money to the **registered keeper**. If the **insured vehicle** is on lease or contract hire, **we** will pay the lease or contract hire company either the **market value** of the **insured vehicle**, or the amount required to settle the agreement, whichever is less.

If the **insured vehicle** cannot be repaired economically, **we** will get it moved to a place of storage as soon as possible.

## Section 3: Windscreen damage

### 1. Cover for windscreens

If there has not been any other loss or damage, **we** will pay to:

- repair or replace broken glass in the **insured vehicle's** windscreen, windows or sunroof
- repair any scratching to the bodywork caused by the broken glass

If **we** need to replace any glass, **we** may use glass which is not provided by the **insured vehicle's** manufacturer but is of a similar standard and quality.

If no glass is available and it cannot be reasonably sourced, **we** will pay the cost shown in the manufacturer's latest price guide, together with reasonable fitting costs.

When required, **we** will also cover the costs to recalibrate the **insured vehicle's** ADAS (Advanced Driver Assistance System) after any replacement or repair of the windscreen.

If the repair or replacement is not arranged via **our** glass helpline and costs more than **your excess**, **we** will pay up to:

- £25 for each glass repair
- £50 for each glass replacement

### 2. What is not covered

**We** will not pay:

1. the **excess** shown on **your** current Policy Schedule
2. for the replacement of the hood/roof structure of a convertible vehicle when the glass is not repairable
3. any windscreens or windows not made of glass e.g. Perspex
4. more than the **market value** of the **insured vehicle** at the time of loss

If **you** ask **us** to pay someone else, **we** will have no further responsibility to **you** once **we** have done so.

### 11. Permitted drivers and use of the insured vehicle

If **you** are not the **registered keeper** of the **insured vehicle**, this **policy** only provides **cover** whilst you are undergoing driving tuition. **The registered keeper** must therefore have arranged a suitable alternate insurance policy, that aligns with section 9 of Veygo's general conditions, elsewhere to ensure it is **covered** in circumstances beyond the scope of this policy.
